Please be advised that an earlier draft version of the LDSS-4579: "Alien Eligibility Desk Aid" form, dated (3/00), was inadvertently attached to the 00 INF-13 "Alien Eligibility Desk Aid" informational letter that introduces the revised 4/00 version of this form. Although the form attached was incorrect, all the text in the informational letter is accurate.

The correct green card stock version of this form, dated 04/00, has already been distributed to local districts.

Please make sure that any (3/00) versions of this form are destroyed and that only the 4/00 version is used for reproduction.

An INF errata notice about this situation is forthcoming.
