The purpose of this release is to introduce the Spanish version of supplement LDSS-4148E: New Information About Medical Assistance (MEDICAID). The LDSS-4148E must be given to all Medicaid clients, with the Client Information Books, DSS-4148A, DSS-4148B, and DSS-4148C.

The following books were developed and mandated to assist local departments of social services (LDSSs) in providing applicants/recipients (A/Rs) with social services program information:

DSS-4148A (Book 1) "What You Should Know About Your Rights And Responsibilities (When Applying For or Receiving Social Services)"

DSS-4148B (Book 2) "What You Should Know About Social Services Programs"

DSS-4148C (Book 3) "What You Should Know If You Have An Emergency"

Due to Welfare Reform changes, some of the information contained in these books is now incorrect, and there is additional information which should be contained in the books. In 1998, the LDSS-4148E: "New Information About Medical Assistance (MEDICAID)" was developed and distributed to LDSSs. The LDSS-4148E contains the additional and changed information required as the result of Welfare Reform. Until the Client Information Books can be printed with the revised information, the LDSS-4148E must be given out with the current books.

Spanish copies of this supplement are being drop shipped to LDSSs. LDSSs must begin immediately to distribute the Spanish supplement with the Client Information Books, as outlined in 91 INF-60.
