Assistance
SUBJECT: Welfare Reform Act 1997 - Regulation Filing

EFFECTIVE DATE: Immediately

CONTACT PERSON: Regional Team Representative

The Welfare Reform Act of 1997 requires many regulatory changes. These regulations are currently being filed as emergency regulations and you will be receiving them in the immediate future. These regulations will inform districts of the policies which resulted from the promulgation of the Welfare Reform Act of 1997.

Social services districts are advised not to begin implementing the new regulatory changes until formal written instructions are issued. We are informing you of these regulation filings as an informational service only.

In addition, broadcast messages will be sent to inform you when the regulations are posted on the Electronic Library.
